

On Monday, June 22, 2009, a sold-out crowd of 144 golfers teed off at the Devil's Pulpit Golf Club in support of the Wellspring Chinguacousy Cancer Support Centre, Brampton Civic Hospital, Sunnybrook Hospital Ross Tilley Burn Unit and Knights Table. The golfers were participating in our 5th Annual Charity Golf Tournament. Our guests enjoyed 18 holes of championship golf plus a BBQ lunch and dinner. We were delighted to have Bobby Baun as our celebrity, who also enjoyed a wonderful day of golf and entertained our guests throughout the event.

A special thank you goes out to our corporate sponsors - A&W High Voltage Contracting Ltd., Metrus Development Inc., ABB, Cable Control Systems Inc., Dig Line Ontario, Hydro One Networks Inc., and Rogers Cable Communications Inc. Finally a special thanks to all of our hole sponsors and prize donors for their terrific support.

Thanks to the hard work and dedication of the 2009 golf committee members, over \$91,000 was raised. A big thank you to everyone who helped support this great event!

We look forward to seeing you all next year on Monday, June 21, 2010.

2010 Supported Charities

I would like to take this opportunity to recognize and thank Hydro One Brampton for becoming a Gold Founder of Wellspring Chinguacousy. We are extremely grateful for this tremendous support as we rely entirely on public donations for our operations and programs. Wellspring Chinguacousy is a community-based cancer support centre providing a wide range of programs and services, at no charge, to meet the emotional, social, psychological and information needs of individuals and families living with cancer.

The William Osler Health Centre Foundation is honoured to be selected to share in the proceeds from the 2010 Hydro One Brampton Charity Golf Tournament. In 2009, we proudly recognized tremendous corporate philanthropy by unveiling plaques within Brampton Civic Hospital dedicating Emergency Services' Resuscitation & Trauma Rooms and its Decontamination Room in honour of Hydro One Brampton. We are grateful to every participant and supporter of this golf tournament for making better community health care a reality.
