## **News Release**

*For Immediate Release – June 10, 2010*

### **Hydro One Brampton Networks Inc. Appoints New President and CEO**

The Board of Directors of Hydro One Brampton Networks Inc. is pleased to announce the appointment of Remy Fernandes as the Company's new President & CEO, effective July 1, 2010. Remy takes over from Roger Albert, who is retiring on June 30<sup>th</sup> after 22 years with the Company.

Remy started at Hydro One Brampton on January 21, 1991 as the Systems Supervisor – AM/FM. He has held various senior positions since then, including Manager of Geographic Information Systems and Manager of Engineering and Operations Services, until his appointment as Vice-President of Engineering & Operations on April 23, 2008.

Remy received his Diploma in Electrical Engineering in India in 1980. Following his immigration to Canada in 1981, he obtained an Electronics Engineering Technology diploma from Sheridan College in 2004 and was then certified by the Ontario Association of Certified Engineering Technicians and Technologists. Remy continued his studies and graduated from Queen's University Executive MBA program on May 30<sup>th</sup>, 2008.

Remy has been a resident of Brampton since 1981. He has been active in the community and is presently a member of the Board for the William Osler Health Centre. Remy is also a member of the Board for Brampton Safe City.

Hydro One Brampton is a subsidiary of Hydro One Inc. and is responsible for the safe and reliable delivery of electricity to more than 130,000 homes and businesses in Brampton.
